DECLARATION

Re:

MEGOL I A 65 C MG NEUTRO

Based on our current knowledge of raw materials, process chemicals and additives used in the manufacturing process of these Api products, we are not aware of any of the substances of the Candidate List according to Echa's update of 16th June 2014

(<http://echa.europa.eu/web/guest/candidate-list-table>)

that are used or added on purpose during the manufacture of these products.

Since these substances are not expected to be present, in quantities not exceeding 0.1% w / w., we do not analyse to detect the presence of them in these products.
